

# Section 1

## STUD CATTLE

Saturday, 28<sup>th</sup> January, 2023 at 8.30am

### Feature Breed for 2023 'Angus'

#### Chief Steward

John Claydon

#### Stewards

P Jones, D McCarthy, S Smith, J Lanz,  
S Fletcher, L Martin & A Hynes

#### General Conditions of Entry

1. All cattle must be Pestivirus tested negative. Appropriate paperwork/vet certificate must accompany entries
2. Entry Fee \$10.00 – No charge for Interbreeds competition
3. All cattle entered must be on the Showground by 8am, for judging by 8.30am on Saturday 5, February 2022.
- 4. Entries will close on Friday, 27 January, 2023**
5. All cattle must be the bona-fide property of the exhibitor and be registered or be eligible for registration on their respective stud books. Led steers excepted
6. No exhibit (animal) to compete in more than one class, except interbreed
7. All animals must be led
8. All bulls over 8 months must have a nose ring, be provided with strong halters and must be secured when parading with a lead attached to a nose clip
9. All cattle (except for calves at foot) must have nose grips in at all times
10. The age of cattle to be actual age up to and including the day of the Show
- 11. All exhibitors are expected to participate in the Grand Parade**
12. Where possible exhibitors are requested to have an appropriate sign indicating name of stud etc placed over the team in the cattle pavilion – in the area allocated by Steward
13. Stud grooms should wear dustcoats or suitable breed dress when parading
14. Interbreed/Breeders group/champion female – if there is a calf at foot, it must be under eight months of age
15. All cattle will be stalled according to Johnes status. Johnes declarations must accompany entries
16. Where one entry in class animal will be judged during junior/senior champion judging
17. All cattle will be scanned and NLIS sighted/transferred on the grounds. PIC & copy of NVD to be provided on request.
18. Any Registered Breed & exhibitors invited to show will be allocated stall places as per draw
19. Stall bedding will be provided by Tenterfield Show Society Judging of all other registered breeds of cattle will commence at 8.30am. Two rings will operate.
20. Bulls must not be led by any person under 12 years of age.

#### RING 1

#### Led Steer Competition

8.30am start

PRIZE MONEY (Led Steer Comps only)

*1ST \$50; 2ND \$30; 3RD \$20*

#### Conditions of Entry:

1. Steer shall be the bona-fide property of the exhibitor
2. Feeding shall be unrestricted
3. Competition shall be confined to steers with no permanent teeth
4. More than one entry per exhibitor is permitted
5. Steers must be paraded for judging and also led in the Grand Parade
6. Points will be allotted for weight for age, conformation, degree of finish and also for parading ability.

**Led Steer competition any breed or cross**

**Purebred Led Steer Perpetual Trophy**

**RING 2**

8.30am start

**FEATURE BREED FOR 2022 'Simmental'**

1. BULL under 12 months
2. BULL 12 months and under 16 months
3. BULL 16 months and under 20 months

**JUNIOR CHAMPION BULL - Broad ribbon  
RESERVE JUNIOR CHAMPION BULL - Broad ribbon**

4. BULL 20 months and under 24 months
5. BULL 24 months and under 30 months
6. BULL 30 months and over SENIOR CHAMPION BULL – Broad ribbon RESERVE SENIOR CHAMPION BULL – Broad ribbon GRAND CHAMPION BULL – Broad ribbon
7. HEIFER under 12 months
8. HEIFER 12 months and under 16 months
9. HEIFER 16 months and under 20 months

**JUNIOR CHAMPION FEMALE – Broad ribbon  
RESERVE JUNIOR CHAMPION FEMALE – Broad ribbon**

10. HEIFER 20 months and under 24 months
11. COW 24 months and under 30 months
12. COW 30 months and over

**SENIOR CHAMPION FEMALE - Broad ribbon  
RESERVE SENIOR FEMALE - Broad ribbon  
GRAND CHAMPION FEMALE - Broad ribbon  
MOST SUCCESSFUL EXHIBITOR in FEATURE BREED**

At the completion of the Led Steer Competition and the Feature Breed Competition we will then continue on with the judging of the stud cattle classes as per usual. Two Rings will operate.

**Stud Cattle**

1. BULL under 12 months
2. BULL 12 months and under 16 months
3. BULL 16 months and under 20 months

**JUNIOR CHAMPION BULL - Broad ribbon  
RESERVE JUNIOR CHAMPION BULL - Broad ribbon**

4. BULL 20 months and under 24 months
5. BULL 24 months and under 30 months
6. BULL 30 months and over

**SENIOR CHAMPION BULL – Broad ribbon  
RESERVE SENIOR CHAMPION BULL – Broad ribbon  
GRAND CHAMPION BULL – Broad ribbon**

7. HEIFER under 12 months
8. HEIFER 12 months and under 16 months
9. HEIFER 16 months and under 20 months

**JUNIOR CHAMPION FEMALE – Broad ribbon  
RESERVE JUNIOR CHAMPION FEMALE – Broad ribbon**

10. HEIFER 20 months and under 24 months
11. COW 24 months and under 30 months
12. COW 30 months and over

**SENIOR CHAMPION FEMALE - Broad ribbon**  
**RESERVE SENIOR FEMALE - Broad ribbon**  
**GRAND CHAMPION FEMALE - Broad ribbon**

NOTE: This will be a contest between the Feature Breeds Grand Champion Bull and Grand Champion Female

#### **TROPHIES**

Reg Chapman Memorial Trophy  
Junior Champion Murray Grey Heifer

Barratt Memorial Trophy  
Champion Junior Murray Grey Bull

#### **Inter-breed Competition**

1. Pair of Bulls (bred and owned by exhibitor).
2. Pair of Females (bred and owned by exhibitor)
3. 3. Breeders Group (bred and owned by exhibitor). Three animals, both sexes to be represented.  
If calf at foot it must be under 8 months
4. All Breeds Champion Male
5. All Breeds Champion Female
6. Most Successful Exhibitor in Stud Cattle Section

#### **Alford & Duff Trophy**

#### **Junior Judging & Paraders Competitions**

All Junior Judging competitions will take place during the morning tea break. Paraders competitions will take place during the lunch break.

1. Junior Judging – 12 yrs and under
2. Junior Judging – 13 yrs to 18
3. Junior Judging – 19 yrs to 25
4. Paraders– 12 yrs and under
5. Paraders – 13 yrs to 18
6. Paraders – 19 yrs to 25
7. Paraders – Golden Oldies - 25 yrs +

#### **Prizes for Junior Judging & Paraders Competitions**

12 yrs and under 1 st, 2nd & 3rd Prizes

13 yrs to 18 1 st, 2nd & 3rd Prizes

19 yrs to 25 1 st, 2nd & 3rd Prizes:

Gift Golden Oldies 25 yrs + Sponsored by Brad Holley Contracting

#### **CHAMPION JUNIOR JUDGE**

**Trophy and gift**

#### **CHAMPION PARADER**

**Trophy and gift**

**PLEASE NOTE: Section 23 of General Instructions re: Johne's Disease**

The Tenterfield Show Committee would like to thank all sponsors of the Stud Cattle Section

## NATIONAL CATTLE HEALTH DECLARATION EXPLANATORY NOTES

### OVERVIEW

**The Cattle Health Declaration is a legal document. Please complete accurately before signing.**

Cattle Health Declarations are a way for producers to provide information about the health status of the cattle they are selling. Buyers should ask vendors for a Declaration and use the information provided to determine the health risks associated with the animals on offer.

Some states/territories require testing or certification additional to that outlined in this document e.g. Johne's disease (JD) in WA and for Enzootic Bovine Leucosis (EBL) in Tasmania. Please check the entry requirements for any interstate movements at:

[www.animalhealthaustralia.com.au/what-we-do/endemic-disease/livestock-movements](http://www.animalhealthaustralia.com.au/what-we-do/endemic-disease/livestock-movements)

The original of this form is to be attached to the National Vendor Declaration (NVD) form accompanying the cattle, if applicable. A duplicate remains with the vendor; it is recommended the vendor retains a copy of this declaration for seven (7) years.

### QUESTIONS 3 & 4: BOVINE VIRAL DIARRHOEA VIRUS (PESTIVIRUS) TESTING

Persistently infected animals can be detected by conducting a pestivirus antigen test. This test only needs to be conducted once in an animal's life. Cattle that test positive in most cases are persistently infected animals. Pestivirus antibody testing may be done to check the pestivirus status of the herd. Dairy cattle may be tested through bulk milk testing. Contact your veterinarian for assistance. Producers who don't know the answer to these questions should tick the 'N' box.

### QUESTION 5: JOHNE'S DISEASE TESTING

**Note: JD is a notifiable disease, so it is important to answer these questions.**

**Check test** – testing of 50 adult animals in the herd (or all eligible animals in a herd if less than 50 adult animals) biased to increase the probability of detecting infection, tested by (pooled) faecal culture or (pooled) HT-J faecal PCR. An ELISA test is available but is not recommended and also not accepted for entry of cattle to WA.

**Sample test** – screening of the adult herd or a large representative sample of the adult herd by an approved test (pooled) faecal culture or (pooled) HT-J faecal PCR. See note above for ELISA test.

**Herd Environmental Culture (HEC) Check Test** (for dairy cattle) – a test of a representative sample of faecal material from the yard (see JD in [Cattle Definitions & Guidelines](#) for details). Details are available at [www.animalhealthaustralia.com.au/jd-cattle-tools](http://www.animalhealthaustralia.com.au/jd-cattle-tools).

## QUESTIONS 6 & 7: JOHNE'S DISEASE

Occurrence of JD refers to clinical disease in the herd or on the property(s). Clinical disease is an infected animal with chronic diarrhoea and weight-loss that does not respond to treatment.

The **Johne's Beef Assurance Score** (J-BAS) is a voluntary tool developed for JD risk profiling. Details are available at [www.animalhealthaustralia.com.au/jd-cattle-tools](http://www.animalhealthaustralia.com.au/jd-cattle-tools). The J-BAS is an initial guide and purchasers should ask for more information about JD in the origin herd (see the JD in Cattle Biosecurity Checklist on the 'JD in cattle' webpage). The *National Farm Biosecurity Reference Manual - Grazing Livestock Production* provides a template to use for the property biosecurity plan. All plans should include the JD in Cattle Biosecurity Plan Checklist.

The **Johne's Disease Dairy Score** (JDDS) is a voluntary tool for JD risk profiling in dairy cattle. Information is available at [www.dairyaustralia.com.au/bjd](http://www.dairyaustralia.com.au/bjd)

**Grazing of non-bovine species** – Buyers of cattle from this consignment may consider the grazing of other JD-susceptible species (sheep, goats, alpacas) on the source property as important to their risk-management decisions. These buyers are entitled to seek information on how you have managed disease risks for all your livestock.

## TREATMENTS & VACCINATIONS

Provide details on any cattle treatments in the last six (6) months and vaccinations within the last twelve (12) months.

Some manufacturers include more than one of the categories listed in the same vaccine, known as a combination vaccine. If you use a combination vaccine, each agent(s), as appropriate, should be detailed.

For vaccinations to be current, you must have followed the manufacturer's recommendation for vaccination. Typically, young animals or first time vaccinated animals need two (2) doses, followed by annual boosters. As variations to this general rule do occur (e.g. Silirum is given once only), you must use the manufacturer's recommendations.

At the date the declaration is made and as a result of the vaccination(s) given, the animals are considered protected from the diseases marked as treated.

## DECLARATION

This section must only be completed by the owner or person responsible for the husbandry of the cattle in the consignment.

For more information on what is fit to travel, please see MLA's *Is it fit to load?* at [www.mla.com.au/isitfittoload](http://www.mla.com.au/isitfittoload).

**For more information on biosecurity go to [www.farmbiosecurity.com.au](http://www.farmbiosecurity.com.au)**
